Shoes (cont.)

his s. were far too tight
my s. from the shoemaker
over s. in love
put off thy s.
s. and ships
takes off his s.
their s. were clean and neat
their s. were on their feet
thinking... most of the s.
wear wooden s.
your s. on your feet
Shoe-string: careless s.
Shoe-tie: glist'ring s.
Shone: armour on armour s.
far off his coming s.
glory of the Lord s.
proudly s.
s. like a meteor
star, that once had s.
Shook: monk who s. the world
more it's s. it shines
s. a dreadful dart
s. from the tangled boughs
s. out more sail
Shoon: clouted s.
cork-heel'd s.
in her silver s.
takes her buckled s.
Shoot: and can s.
do not hesitate to s.
do not s. the pianist
he shall s. higher
in a watered s.
I will s. you!
privily s. at them
s., if you must
s. into the dark arrows
s. out their lips
teach the young idea how to s.
up and s. themselves
when the guns begin to s.
Shooting: falling stars are s.
Shooting-stars attend thee
Shoots: s. at the mid-day sun
s. higher much than he
s. of everlastingness
Shop: beggar's s. is shut
pops its head into the s.
s. to mind
shun the awful s.
talked s. like a tenth muse
Shopkeepers: nation of s.
s. 1:6, 360:22, 503:11
Shopocracy: abuse the s.
Shore: after-silence on the s.
beat on the rocky s.
beats upon the high s.
by river or sea s.
control stops with the s.
courses from the s.
echo'd along the s.
false impossible s.
fast by their native s.
for his native s.
from s. to s.
from the nightly s.
guiled s.
his own native s.
kingdom of the s.
lash the sounding s.
lone Chorasman s.
more willing bent to s.
my boat is on the s.
my native s. fades
Night's Plutonian s.
ocean's wave-beat s.
one on s.
on s., and when...
on that beautiful s.
on the farther s.
on the s. of the wide world
on thy s.
perish on the s.
pull for the s.
rapture on the lonely s.
round earth's s. lay
s. of Gitchu Gume
s. than labour
spicy s. of Araby the blest
sport upon the s.

never s. in vain
on my bed I s. him
s. after my soul
s. it carefully with tears
s. out many inventions
s. thee wand'ring
s. the Lord aright
they s. it with thimbles
to those men that s. him
unknowing what he s.
Soul: acquaints his s. with song
adieu 'twixt s. and body
affirmations of the s.
all that a s. can do
all the heart and the s.
as active as that s. was
as angels . . . call to the s.
as in a s. remembering
assault and hurt the s.
as well for the body as the s.
awake my s.
bear my s. away
because his s. was great
become a living s.
belie thy s.'s immensity
be still, my s.
build . . . O my s.
built my s. a . . . pleasure-house
calm s. of all things
captain of my s.
careful s.
catch my flying s.
Christe receive thy s.
city of the s.
clothing for the s. divine
come silly s.
composed in the s.
condense within thy s.
crowd not on my s.
delivered my s. from death

Soul (cont.)

from the S.'s eternity
genial current of the s.
get his glorious s.
give his s. good reste
give me my s. again
given my s. for this
give not thy s. unto a woman
God the s.
go, S., the body's guest
grants the s. again
grapple them to thy s.
grave unto a s.
great Marlbro's mighty s.
had a little S.
half conceal the S.
half the little s. is dirt
hangs my helpless s.
happy s., she shall discover
hark! hark! my s.
harpit your mindmost s.
heard them call my s.
heart, and s., do voice
heart and s. do sing in me
heaven of his high s.
height my s. can reach
her aged s. to damn
her body from her s.
her lips suck forth my s.
her love-laden s.
her pensive s.
her s. to keep
hidden s. of harmony
hides a dark s.
his angry s. ascended
his eager s., biting for anger
his own s. was like that
his pure s. unto his captain
his s. is marching on
his s. is with the saints
his s. proud sciencenever taught
his s. shall taste the sadness
his s. sincere
his s. well-knit
his very s. listened
holdeth our s. in life
house of a brute to the s.
how prodigal the s.
how say ye then to my s.
humanized my s.
hurl my s. from heaven
I am the s.
I gave you your own s.
in body and in s.
in his altered s.
in my s. am free
in mystery our s. abides
in some part of my s.
in the bitterness of his s.
in the bitterness of my s.
into which the s. . . has passed
invite my s.
in whose rich s.
I refrain my s.
iron entered into his s.
iron enter into his s.
I think nobly of the s.
Joy's s. lies in the doing
leave my s. in hell
leaves s. free a little
let every s. be subject
lie in the S.
lift my s. to heaven
like fruit, my s.
little s. for a little bears up
little s., wandering, pleasant
lose his own s.
man became a living s.
measured by my s.
meeting s. may pierce
merit wins the s.
merry of s. he sailed
merry old s.
might create a s.
mine eyes into my very s.
mine has opened its s.
most comprehensive s.
most offending s. alive
mount, my s.
my dear s. . . mistress
my outward s.
